

REPORT OF ACTIONS

Effective May 25, 2022, unless otherwise indicated

Initial Accreditation Granted

- La Roche University Nurse Anesthesia Program, Pittsburgh, PA

Public Disclosure Statement

The La Roche University Nurse Anesthesia Program was granted initial accreditation effective May 25, 2022. The program was found in compliance with the *Standards for Accreditation of Nurse Anesthesia Programs – Practice Doctorate*. Given this action, the program will be scheduled for its next consideration of continued accreditation 5 years following the start of the program's first class of students. The COA may change this to an earlier time as a result of new or additional information, changes in the activities of the program, or changes needed in the accreditation review schedule.

- Mary Baldwin University Nurse Anesthesiology Program, Fishersville, VA

Public Disclosure Statement

The Mary Baldwin University Nurse Anesthesiology Program was granted initial accreditation effective May 25, 2022. The program was found in compliance with the *Standards for Accreditation of Nurse Anesthesia Programs – Practice Doctorate*. Given this action, the program will be scheduled for its next consideration of continued accreditation 5 years following the start of the program's first class of students. The COA may change this to an earlier time as a result of new or additional information, changes in the activities of the program, or changes needed in the accreditation review schedule.

Continued Accreditation – Approved

- Baptist Health Murray State University Program of Anesthesia, Madisonville, KY

Public Disclosure Statement

The Baptist Health Murray State University Program of Anesthesia was granted continued accreditation for 4 years effective May 25, 2022. Given this action, the program will be scheduled for its next consideration of continued accreditation in Spring 2026. The COA may change this to an earlier time as a result of new or additional information, changes in the activities of the program, or changes needed in the accreditation review schedule. The program must submit a progress report documenting actions taken to come into full compliance with criteria in the *Standards for Accreditation of Nurse Anesthesia Programs – Practice Doctorate* related to the adequacy of program administration resources.

A focused in-person onsite visit of the program will be required, consistent with guidance from the U.S. Department of Education. The COA will conduct a focused in-person onsite review in follow-up to the virtual accreditation review when it is practicable to do so. Programs are advised that the continued accreditation decision may be amended if the

follow-up in-person onsite visit reveals areas of partial or non- compliance that are not found resolved by the COA following a review of the program's Response to Summary Report.

- Barry University College of Nursing and Health Sciences Nurse Anesthesiology Programs, Hollywood, FL

Public Disclosure Statement

The Barry University College of Nursing and Health Sciences Nurse Anesthesiology Programs was granted continued accreditation for 10 years effective May 25, 2022. The program was found in full compliance with the *Standards for Accreditation of Nurse Anesthesia Programs – Practice Doctorate*. Given this action, the program will be scheduled for its next consideration of continued accreditation in Spring 2032. The COA may change this to an earlier time as a result of new or additional information, changes in the activities of the program, or changes needed in the accreditation review schedule.
